ABOUT

The Victor Improvement Association
The non-profit has operated the museum continuously in the Reynolds Block Buildng at 3rd & Victor Avenue since June of 1959. We are dedicated to preserving and showcasing the unique history of Victor - the people, places, and methods of mining that made this area a significant part of the the 1890's Colorado Gold Rush.

Giving Opportunities
In addition to seeking support for opertations, exhibits, programs for all ages, and facility improvements, the Museum also accepts gifts of artifacts from our local history. Gifts to the Museum, whether artifacts, exhibit items or cash or other forms, are gifts that continue to give as future generations of visitors benefit from the Museum and its collections, and educational programs.
All donations are tax deductible.
